Best Things To Do This Summer

Have a Pint

Long Island's craft beer industry is flowing, serving up options for those of the hoppy kind. Well over a dozen breweries call Long Island home and it is worthwhile to taste a pint in their tasting rooms. For summer, we say bottoms up at Montauk Brewery where there is live music on Saturday afternoons in the summer. No fancy crowds here. Flip-flops and tees are all that is necessary. 62 S. Erie Ave., Montaukbrewing.com.

Pedal Through the Vines

See the vineyards close-up and personal from the seat of a bicycle as you pedal through a gentle 12-mile route. East End bike tours offers a menu of tour choices from premier, with picnic lunch and personal guides to self-guided. Visit East End Bike Tours at eastendbiketours.com for package details.
